CONTROLLED SUBSTANCE/NARCOTIC CONSENT

I, _____ agree to use all controlled substances prescribed to me per the following criteria. - b. I will arrange for refills at the prescribed interval **ONLY** during regular office hours.
- c. I will not ask for refills earlier than agreed, after-hours, on holidays or on weekends.

- f. I will obtain all refills for these medications only at the pharmacy listed below.
- g. I consent to my provider and pharmacist to exchange information in writing, verbally or by mail.
- h. I will not request any pain medications or controlled substances from other providers not employed by Family Focused Care and will inform this provider of all other medications I am taking.
- i. I will inform my other health care providers that I am taking these controlled medications and of the existence of this contract. In event of an emergency, I will provide this same information to emergency department providers.
- j. I will protect my prescriptions and medications. I understand that lost or misplaced prescriptions will not be replaced.
- k. I will keep medications only for my own use and will not share them with others. I will keep all medications away from children.
- l. I agree to participate in any medical, psychological or psychiatric assessments recommended by my provider. I will actively participate in any program designed to improve function, including social, physical, psychological and daily or work activities. I will see all specialists as advised by my provider.
- m. I will not use illegal or street drugs or another person's prescription.

- n. I will consent to random drug screenings to assure I am only taking prescribed drugs. I understand that a drug screen is a laboratory test in which a sample of my urine or blood is checked to see what drugs I have been taking and that if I do not have insurance, I may be responsible for any bills associated with the above noted testing.
- o. I will keep all of my scheduled appointments. If I need to cancel my appointment, I will do so a minimum of 24 hours before it is scheduled.
- p. I understand that my provider may stop prescribing the medications listed if: I do not show any improvement, develop rapid tolerance or loss of improvement from the treatment, and develop significant side effects from the medication or if I am disrespectful to any staff member or provider of Family Focused Care.
- q. I understand that Family Focused Care does not treat chronic pain conditions and/or will not refill pain medications.

My behavior is inconsistent with the responsibilities outlined above, which may also result in being prevented from receiving further care from this practice.
